

Radical GLAM Collaboration in BC

David Stewart
Digital Manager, Royal BC Museum

Quick Agenda

- Federal efforts
- Royal BC Museum as a microcosm
- A hint of the possible
- Ben: the specifics of who, what, how

“Canada is falling behind.”

The background features several thick, stylized lines in various colors (blue, teal, pink, orange) that form abstract, angular shapes. A prominent blue line starts from the top left and extends diagonally towards the right. Other lines in teal, pink, and orange form various geometric patterns, including what looks like a stylized 'Z' or 'N' shape on the right side and some overlapping lines at the bottom left.

TOP DEFINITION

strength in numbers

An idiomatic expression to mean an emotional and morale strength drawn from a group of people.

Sometimes this can lead to mob mentality.

John is a coward by himself, but in a large group he draws strength in numbers.
